Willow weaving, workshops and talks

Spring & early summer workshops 2020

A varied programme of workshops introducing different techniques to create decorative and functional items for the home and garden. Workshop numbers are kept small to make sure everyone gets the support and attention they need in order to complete their project and of course there are always homemade cakes and biscuits to fortify you!

All workshops are held in Maesbrook Village Hall, Maesbrook, Oswestry SY10 8QW [click here for map](#)
